

Rainforest Reading and Adventure Camp March 2016

Over 400 Belizean children in Standard 3 (Grade 4) will participate in an exciting three day camp where Rainforest focused activities will guide learning on improved reading and writing.

The camp will also train over 60 Belizean educators and local community volunteers on literacy support approaches.

There will be lots of adventure and play!

Alberta Literacy Vocational Training Teams
provide expert literacy coaching

Accomplishments

- Notable improvements in literacy awareness and student reading success
- Involvement of public libraries and volunteers
- Student support systems and resources
